Permanent UST Closure (PC) or Change in Service (CS)

A permanent UST closure (PC) includes removing of an UST from the ground, filling of an UST with inert solid material, or closure via another manner as approved by the department. A change-in-service (CS) is the continued use of an UST system to store a non-regulated substance. Check the appropriate box to indicate either PC or CS, then complete the description section for the UST(s) to undergo a PC or CS. Ensure all information is consistent with the permit issued by the department. Use additional sheets as needed.
