

**PUBLIC NOTICE
HAWAII DEPARTMENT OF HEALTH
REVOLVING FUND LOAN PROGRAM
REAFFIRMATION OF THE FINAL ENVIRONMENTAL IMPACT STATEMENT AND
RECORD OF DECISION (FEIS/ROD)
FOR
THE CENTRAL MAUI LANDFILL PHASE V-B EXPANSION PROJECT

COUNTY OF MAUI

DOCKET NO. 17-WW-SRF-03**

The County of Maui has provided the Hawaii Department of Health (DOH) with a Reaffirmation of the FEIS/ROD for the above proposed project. The County certifies that the project qualifies for a reaffirmation in accordance with 40 CFR 35.3140 (for CWSRF projects) or 40 CFR 35.3580 (for DWSRF projects).

Project Description:

Construction of the next Central Maui Landfill lateral expansion (Phase V-B) in accordance with The Resource Conservation and Recovery Act (RCRA) Subtitle D Regulations (HAR 11-58). Phase IV and V are reaching final elevations. It is necessary for the next lateral expansion to be constructed to continue solid waste landfilling at Central Maui Landfill.

DOH hereby concurs with and approves the reaffirmation of the FEIS/ROD, in accordance with 40 CFR 35.3140 (for CWSRF projects) or 40 CFR 35.3580 (for DWSRF projects), based on the information and certification provided by the County. However, this decision may be reconsidered if a discovery of new information concerning potential adverse environmental impacts of the project occurs.

The documentation to support this decision will be on file at the DOH, Environmental Management Division, in Honolulu, Hawaii, and is available for public review upon request.

This notice is hereby given on this 12th day of July, 2017, by authorization of Virginia Pressler, M.D., Director of Health.
