

**PUBLIC NOTICE  
HAWAII DEPARTMENT OF HEALTH  
STATE REVOLVING FUND (SRF) LOAN PROGRAM  
EXEMPT PROJECT DETERMINATION  
FOR  
*'Ele'ele Subdivision Collection System Rehabilitation*  
*C150050-12*  
COUNTY OF KAUA'I  
DOCKET NO. 23-WW-SRF-03**

The Hawai'i Department of Health (DOH) has conducted a review of the proposed project for the County of Kaua'i in accordance with Hawai'i's State Environmental Review Process, Chapter 343 of the Hawai'i Revised Statutes, Chapter 11-200 of the Hawai'i Administrative Rules, and 40 CFR §35.3140 (for CWSRF projects).

**Project Description:**

The project consists of rehabilitation of sewer lines by lining them with a CIPP liner. Other work would include point repairs and areas that were identified during the past CCTV inspection. Sewer line that are part of the collection system will be upsized in certain areas to address past comments from Department of Health inspections. New lines and manholes would also be built to maximize efficiency of the system.

DOH has determined that this project is eligible for an Exemption because this project involves repairs or maintenance of existing structures, facilities, and equipment involving no expansion, change, or use beyond that previously existing; construction or replacement of minor structures accessory to existing facilities; demolition of structures within the footprint of the existing facility, except those structures located on any historic site as designated in the national register or Hawai'i register as provided for in the National Historic Preservation Act of 1966, Public Law 89-665, 16 U.S.C. Section 470, as amended, or chapter 6E, HRS. Accordingly, the project is exempt from further substantive environmental review requirements under the above-stated authorities.

The documentation to support this decision will be on file at the DOH, Environmental Management Division, in Pearl City, Hawai'i, and is available for public review upon request.

This notice is hereby given on this 2nd day of October 2023, by authorization of Kenneth S. Fink, MD, MGA, MPH, Director of Health.
