Pursuant to Chapters 342 and 91, Hawaii Revised Statutes, Section 101(e) of Public Law 92-500 and the U.S. Environmental Protection Agency (EPA) Regulations, 40 CFR 35.3150, notice is hereby given that a 30-day public comment period is being initiated to allow public participation and input on the proposed Intended Use Plan (IUP) for SFY 2025 and the FFY 2024 appropriation.

The EPA grants monies to the State of Hawaii annually to construct wastewater pollution control facilities. In order to utilize the state-revolving funds, proposed projects must be prioritized and listed on the Project Priority List for SFY 2025. The IUP also includes the implementation schedule for the projects proposed to receive loans from the State Revolving Fund during SFY 2025.
