

# Simplify Your Shopping!

1. Download "WICShopper" from your app store.
2. Select Hawaii as your WIC Agency.
3. Enter your eWIC card number.

**Note:** Choose "Skip" if you don't have your eWIC card yet. Later, when you get your card, just tap "My Benefits" and you will be prompted to enter your eWIC card number.

## View Your Benefits

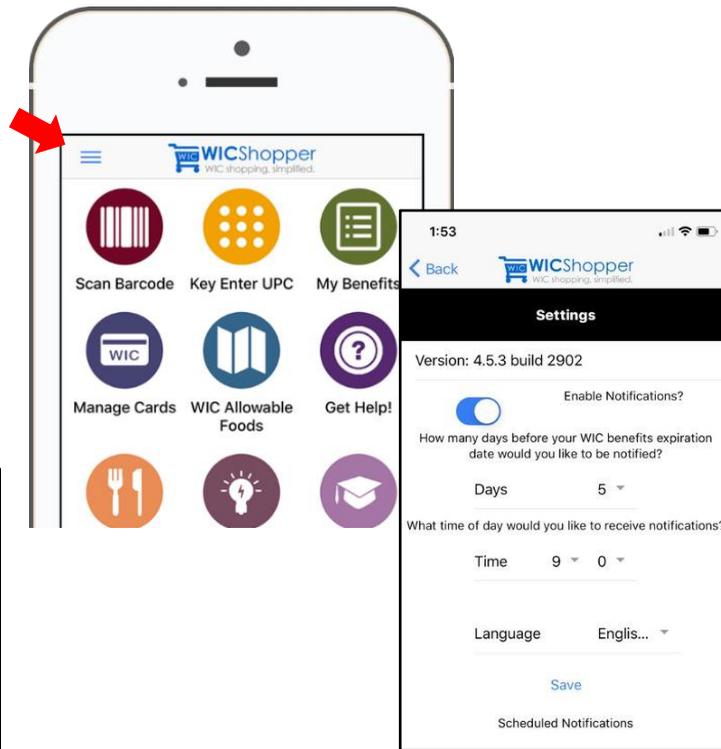

Once you have registered your card, your current and future benefits will display on the app.

- Tap "My Benefits."

## Settings and Alerts

Tap top menu button  or swipe right on the screen to select "Settings" from the Menu.

**Option 1:** Select when to receive phone notification of benefit expiration.

\*eWIC card must be added to app.

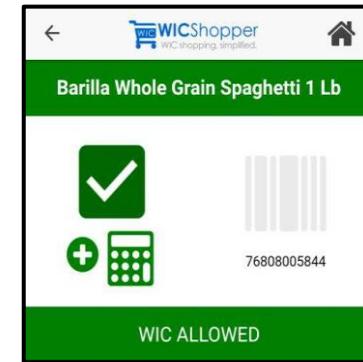

**Option 2:** Select preferred language.

- This will apply to all core app features.

## Identify WIC Approved Foods

## Scan Products – No Card Added

Green = WIC approved item

Red = Not a WIC item

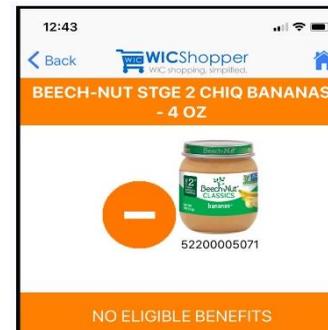

## Scan Products – Card Added

Green = WIC approved item and available benefits

Red = Not a WIC item

Orange = WIC approved item, but no available benefits

## Cereal Calculator

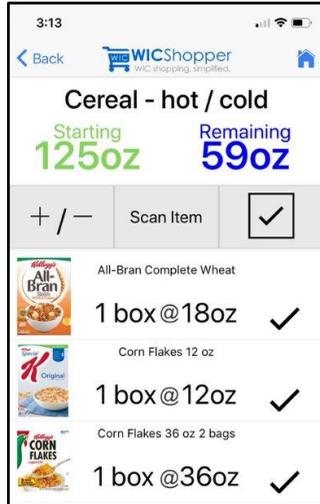

Select "Cereal Calculator."

**If eWIC card is added to app:**

- Starting and Remaining balances will display current benefits.

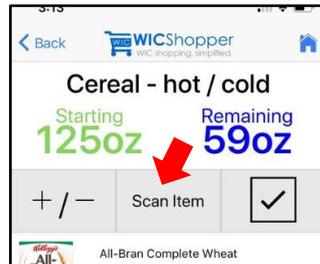

**If eWIC card is NOT added to app:**

- Manually enter Starting balance by tapping the field.

**To add products to calculator:**

- Tap "Scan item" on calculator screen.
- Use "Scan Barcode" or "Key Enter UPC" and tap the calculator icon.

## Produce Calculator

Select "Produce Calculator."

**If eWIC card is added to app:**

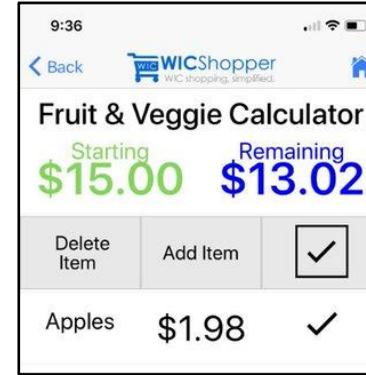

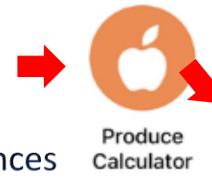

- Starting and Remaining balances will display current benefits.

**If eWIC card is NOT added to app:**

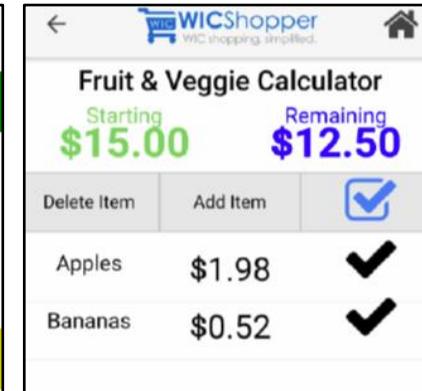

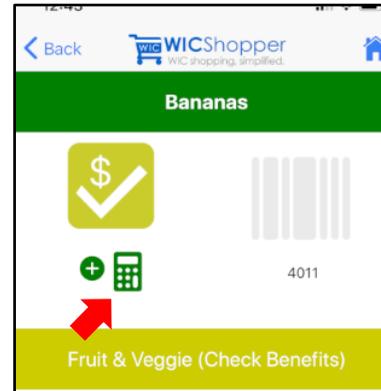

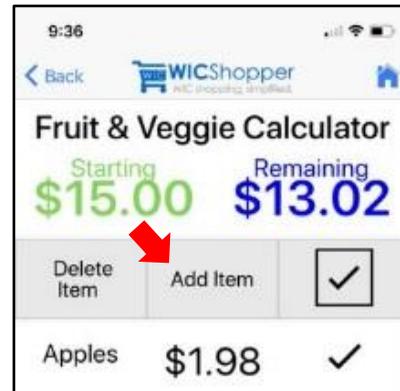

- Manually enter Starting balance by tapping the field.

**To add products to the calculator:**

- Tap "Add item" on the calculator screen.
- Use "Scan Barcode" or "Key Enter UPC" and tap the calculator icon.

## Example

## What Does this Mean?

There are thousands of produce UPCs and they are constantly changing. Even if the scanned UPC returns this screen you should still be able to purchase the product if it meets the Hawaii WIC produce requirements on the Approved Food List.

## Couldn't Buy Product

- Select "I Couldn't Buy This."
- Enter product information.
- Product information is sent to Hawaii WIC to review for approval.
