

If you cannot find the 12.5 oz Similac Spit Up at the store, WIC is temporarily allowing larger containers until August 31, 2022. See the list below. For more information and updates to buying formula with your eWIC benefits, go to https://health.hawaii.gov/wic/formula_recall.

For each can of these formulas that you buy, it will remove 1 can of Similac Spit Up from your benefits.

Formula Name	Container Size	UPC
Enfamil AR Powder	12.9 oz	300870201423

For each can of these formulas that you buy, it will remove more than 1 can of Similac Spit Up from your benefits.

Formula Name	Container Size	UPC
Enfamil AR Powder	19.5 oz	300870201652
Parents Choice AR Non-GMO Powder (WIC authorized Walmart only)	32.2 oz	681131130776

*A balance of less than 1 can cannot be redeemed. You need at least 1 can to be able to buy a substitute formula of 12.5 oz or larger.
