

For families impacted by the fires on Maui, Hawaii WIC is temporarily allowing substitutions for Similac Total Comfort until October 27, 2023.

Please see the list below. For more information and updates about WIC services and the impact to participants and applicants, go to <https://health.hawaii.gov/wic/maui-fires>.

If your benefit list says “**Similac Total Comfort – Powder, 12 oz**” and the store does not have any in stock, below is a list of temporary substitutions. For each can of these formulas that you buy, it will remove more than 1 can of Similac Total Comfort from your benefits.

Formula Name	Container Size	UPC
Similac Pro-Total Comfort	20.1 oz	070074681085
Similac Pro-Total Comfort	1.86 lb/29.8 oz	070074669380

*A balance of less than 1 can cannot be redeemed. You need at least 1 can to be able to buy a substitute formula of 12.6 oz or larger.

If you are still not able to find the formula on your benefit list and the allowed substitutes, please contact the Maui WIC clinic for additional help.
